

Florence

more than just a co-working space

TSH Collab is where work gets personal. In addition to stimulating designer workspaces and playful meeting and breakout areas, members enjoy the benefits of an engaging events calendar and a thriving spirit of community. As part of The Student Hotel Florence complex, the coworking space offers access to designer lounges, bike rentals, discounted

hotel rooms as well as discounts at our on-site bistro. Our location in a historic palazzo in the heart of the city is walking distance from Mercato Central, Galleria dell'Accademia and the Firenze SMN train station. Members also have access to other locations in Amsterdam City, Rotterdam and The Hague. Future locations will open soon in Bologna and Vienna.
